From the President's Desk

For carrying forward the flag of growth and prosperity of science and technology, it essentially requires skilled, knowledgeable and focused Engineers and Technologists. On the other hand, such personalities can only be groomed in an educational institution having appropriate standard and facilities. With such a noble vision in heart, NESGI began its journey. Since its inception, NESGI has been dedicated towards providing quality education in every possible way and we are working hard to import more expertise and innovation to meet the expectations and technical needs of our students so that they prosper professionally amidst ruthless competition.

NESGI is providing opportunities to the young minds to evolve their core competency to build their careers as world class professionals/ technocrats with broad based foundation, in-depth knowledge and versatile personality to meet the emerging challenges of the global competition and at the same time keeping pace with the aspirations.

NESGI is well committed with its duty towards nation building, backed by dedicated faculty and staff, who are continuously striving to contribute in the growth of the institute and to shape up the career of technocrats.

We extend our heartiest welcome to all the upcoming technocrats at NESGI.

Editorial

Dear Reader !!!

Navsahyadri Institute of Pharmacy, Naigoan, Nasrapur, Pune, welcomes you to be a part of their new venture **"Navsahyadri Pharma - E-BULLETIN"** an endeavor created to showcase the inventiveness of our institute members in the form of Scientific talent, Literary recreation and News update on a finger tip. It has been thought to have this bulletin in electronic form first, to be in ready access i.e. at your finger tip (most of us nowadays are always online at desktop/laptop/tablet/smart phone) and second, obviously to save paper thereby fulfilling an eco-friendly objective. I am very happy to reinventing a whole new Navsahyadri through this initiative.

With Happy and Eternal Reading....

1. About NES:

Globalization has hit the areas of Science and Technology and it's established to stay in the long run and hence global competitiveness has become the trademark in all technical institutes. Recognized by Government of Maharashtra and affiliated to the University of Pune, as well as an AICTE approved organization. The foundation laid in the year 2010, NESGI.

Ever since its establishment has helped persistently to improve in both curriculum and extra-curriculum activities. An individual can experience the resources and facilities of the relax and calm peacefulness in this campus at once.

The organized structure of NESGI trains the individuals to strongly root the philosophy of training and research that develops and emphasizes the intimate relationship between the knowledge of the practical application in the society. NESGI provides a great platform for pursuing a designed academic pursuit.

Navsahyadri Group of Institutes stands for performance par excellence. In the world where it is common place to see mediocrity as the order of the day, NESGI always stands as the guiding star of brilliance, quality and deliverance beyond expectations. Innovativeness and Creativity are the hallmarks of a genius enterprise and NESGI stands to be a stage where these qualities would be nurtured, encouraged and blossomed. Inner re-engineering towards a proactive outlook, courage to convert challenges into opportunities and an unyielding spirit with never-say-die attitude is expected from students, staff and management who are present in the grand precincts of the Institution. The genius is incomplete without the sense of social responsibility and NESGI's ultimate goal remains the development of an attitude of gratitude that freely gives back without expectations.

Established in year 2009 as NAVSAHYADRI GROUP OF INSTITUTES with a vision and dedication of founder president Hon. P. N. SUKE. The most important goal of NESGI is to give high level of technical and managerial education so as to develop the business and industrial environment. We strive to maintain a balance between amount of benefit for the

students & the future leaders. By seeing the positive perspective the academicians, educationalists, administrator & enthusiastic people of Pune have initiated the information of a society under the name of NAVSAHYADRI GROUP OF INSTITUTES in 2009 at Naigaon Pune.

AIMS:-

- The overall development of Naigaon, Pune in the field of Education, Economy & Social Up gradation
- Development of Rural Technology, Infrastructure & Conservation of Environment.
- Deliver world class research-based education to students, broad-based training to leaders in academic, industry and society.
- To expand the base of engineering knowledge through original research and by developing technology to serve the needs of society.
